West Midlands Interchange

December Newsletter 2024: STEM Edition

Welcome to our newsletter

At West Midlands Interchange, we're passionate about inspiring the next generation of engineers, scientists, and innovators.

In this newsletter, we'll share the latest updates on our STEM engagement initiatives, including:

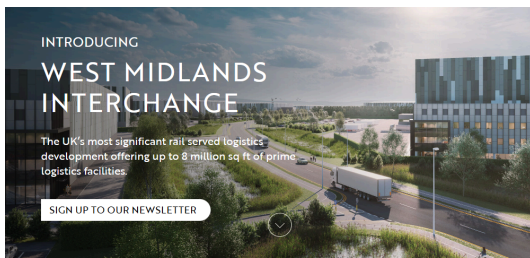

- **WMI's impact on STEM education:** Discover how we've delivered over 132 weeks of local apprenticeships or T-levels, over 18 weeks of training and 20 weeks of apprenticeships for local disadvantaged groups.
- **Community education:** Learn about our partnerships with local schools and colleges.
- **Upcoming initiatives:** Stay informed on exciting upcoming initiatives and learn how you can get involved.

Upcoming roadworks

We're building new laybys on the A449 Stafford Road to improve safety and traffic flow. This work will involve temporary lane closures and a signed diversion route. For more details, please [visit this link](#).

Community hub added to WMI webpage

We've improved our website to keep you informed about traffic management. Check out our **new interactive map and traffic management calendar** for the latest updates.
